HASTE

HUB for ACTIVE SCHOOL TRAVEL

A Presentation & Conversation

on

Active Ways to

Travel in Our Community

40% of Canadian kids are being driven to school, resulting in

- *traffic congestion*
- *increased accident rates*
- *air pollution near schools*
- *obesity and ill-health*

Communities are getting together to find solutions.

Find out about initiatives in BC and across Canada
to get kids moving and why it's good for everyone.

Date: November 22, 2012

Place: Glacier View Learning Centre

Address: 241 Beecher Drive, Courtenay

Time: 7:00 - 8:30 pm
